

Explore our top-rated **FEATURED PRODUCTS** this Spring
and take your welding projects to the next level!

Scotch-Brite Precision Surface Conditioning Discs

- **A NEW LEVEL OF MULTI-PURPOSE PRODUCTIVITY:** Expanded grade range works to cover blending, cleaning, deburring, finishing, grinding, polishing, radiusing and refining applications
- **UPGRADED FOR HIGH PERFORMANCE:** Built with 3M Precision-Shaped grain for increased cut-rate without sacrificing finish
- **WORKS ON A RANGE OF METALS:** Great for use on aluminum and soft metals, carbon steel, stainless steel and more

More

FEIN Beveling - AKFH 18-5 T

- Create chamfers and radii on flat materials, sheet metal, and containers, on inner and outer edges, contours and for rounding drilled holes
- High removal rate, low effort, and infinitely variable speed adjustment for different materials
- More ergonomic thanks to its light, compact design
- FEIN brushless PowerDrive motor for high performance and durability
- Extensive user protection due to soft start, restart protection, jam monitoring, and electronic overload protection

Speedglas™ Welding Helmet G5-01 with G5-01VC and Adflo™ High-Altitude PAPR Assembly

- G5-01VC welding filter offers first ever Variable Color Technology to select between 3 different color options: clear, cool, or warm
- G5-01 welding filter features 3M™ Natural Color technology, making the filter view seem lighter, more detailed and colorful; Auto-ON/OFF
- Adflo is NIOSH approved and provides an Assigned Protection Factor (APF) of 25 in with the standard helmet assembly, and up to 1000 APF with the optional kit
- Large, clear protective visor (located under welding filter) is curved, with excellent views up, down and peripherally

1332 Cut Resistant Goatskin TIG Glove

- Top grain goatskin outwears other leathers of the same weight
- Offers outstanding tactile sensitivity in grimy conditions
- A6 cut resistance in the finger, palm, back of hand and cuff for total protection
- Delivers an incredible feel and dexterity to the user
- Flexible straight thumb allows greater movement for a superior grip on the torch and stick
- Glide patch eases movement and provides protection from heat

CGW[®]

ABRASIVES

Full Product Line

- Leading manufacturer and supplier of cutting-edge abrasive products worldwide.
- Offers 3,000 active stock items - Coated Abrasives, Surface Conditioning, Resin Bonded, Precision Vitrified
- Recognized by the highest safety and manufacturing standards.
- Manufactured in plants in the U.S. (2) and Israel (3)
