

Are you ready to weld at the ***speed of light?***

**LightWELD** laser welding is dramatically faster, super easy to learn and operate, and provides higher-quality, consistent results across a wide range of materials.

**PLUS** it eliminates the need to prep or lockdown parts.

**Want to Try it for Yourself?**

Schedule a demo TODAY.

## LightWELD Laser Welders

**1500, 1500 XC & 1500 XR**

**Lightning FAST**

**EASY to Learn**

**CLEAN, PRECISE Welds**

**Consistent QUALITY**

Features an ergonomic, lightweight design, portability, and a comfortable, simple laser welding gun with built-in wobble functionality.

**WE WORK FOR YOU.™**

## Lightning FAST

**Up to 4X faster** than MIG welding,  
6x faster than TIG; no need to clean,  
prep or lock down parts for increased  
productivity and lower costs-per-part

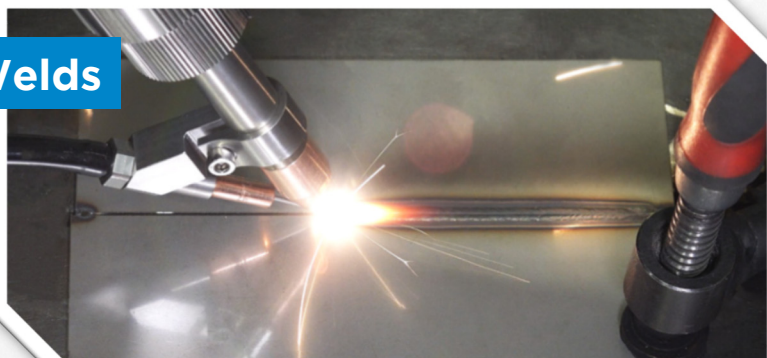

## Super EASY

**Simple set up, easy to operate,**  
learn in 1 day, be proficient in 1 week, be an  
expert in 1 month

## CLEAN, PRECISE Welds

**Less burn-through and  
distortion for less cleanup,**  
more precise weld penetration, low  
heat for minimal heat-affected zone

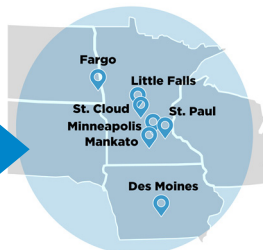

## Consistent QUALITY

**Consistent, quality** welding of thick,  
thin and reflective metals; micro-weld  
capabilities
